Dear Larry Bird:

Our organization would like to offer you a contract to play for the Boston Celtics for 2 years and will have an option to play a third year with the same salary income. The Boston Celtics are full of rich history and we would want you to be apart of it. Also the city itself is one of a kind. You can find the best Italian places and lobster right outside the Garden. We are willing to offer you \$2,324,445 to play. Contact me if you have any questions. My business number is 1-508-543-6672.

Very Truly Yours,

Boston Celtics Basketball Club, Inc
